SATURDAY NOVEMBER 6, 1880

THE Presidential contest is over, and the Republicans appear to have got the best of the political fight. The latest dispatches received in Pioche show that New York City gave 41,000 Democratic majority, but the whole State gives 23,-000 Republican majority. In New Jer-only parties present at the ceremony. The wedding tour will include a trip to sey the Democrats elect Ludlow Governor by 500 majority, and the Presidential Electors by 1,500, but both branches of the State Legislature are Republican. The New York World concedes the State to the Republicans by from 15,000 to 25,000. Oregon is still held at about 500 Republican majority. Rosecrans is elected member of Congress from California. Garfield is elected President be-

The number of votes sold in Eureka by both parties on election day, says the Sentinel, was shameful, and a stop should be put to it.

Union winze No. 1 is making slow progress, on account of water and trouble with the pump. It still cuts streaks of quartz assaying from \$5 to \$15, and promises well.

Reveille, Nov. 1: The Manhattan S. M. Co. shipped yesterday 10 bars of bullion, valued at \$10,954 71. On the 27th of October they also shipped 10 bars, valued at \$10,208 15.

Enterprise: M. A. Sharp, the bold highwayman who operated so successfully for several months on the road between Carson and Aurora, was convicted at Au-rora of the crime of highway robbery.

Ventilation will be secured on the 2000 level of Ophir in a few days, and the ore vein will then be followed up. That it will yield ore enough to run the mine is certain, and it may pay dividends by leading to the looked-for bonanza.

Reno Journal: The sign "To Let," is not visible in many places in Reno now. One month ago Martin, the real estate agent, had more than 30 houses to rent; at the present time he has only five. This shows that our town is growing all

Silver State: About eight o'clock last evening a brilliant meteor, which appeared to be about as large as the full moon, fell perpendicularly from the heavens in the direction of Goloonds. It was a daz-zling bluish-white color, and appeared from here to strike the north end of the Harmony Mountain.

Silver State: J. H. Job, who has been down in the western part of the county electioneering, returned last night. He brought some fine specimens of iron ore fram a mine, discovered by George Love-lock, in the range east of the Big Meadows. The ore is hematite, carrying 90 per cent. in metal, and he says there is a whole mountain of it.

Belmont Courier: The Belmont mine never looked better than at present. The work of development is progressing steadily with satisfactory results, and some sixteen or seventeon tons of first-class of are being extracted per week. As soon as the ten-stamp mill is com-pleted the Belmont will again fall into line as a bullion producer.

Last Monday, John Wilson, a Mason Valley rancher, was severely hurt, says

day rendered an interesting decision on the application of C. T. Wheeler for a patent for the Wildman Hodien, in Amalor county, California, holding that all proceedings in the Land Office must be proceedings in the Land Office must be ribly shaken up and acted in a crazy manner of the gramman. proceedings in the Land Office must be stayed in consequence of the commencement of a suit in the local Court, by David T. Davis, setting up an adverse title, on the ground that the applicant for a mineral patent had abandoned the claim before making the application. The new point thus raised and decided was whether the Department had not jurisdiction to decide the question of abandonment for itself.

MRS. Lincoln.—It has been so long since the name of this lady appeared in print, that the public had almost forgotten her existence. We are now informed, however, by a New York paper, that she has for several years been living quietly in Germany. She is in poor health, and will take passage for this country some time during the present month, to join her son Robert in Chicago.

Sr. Louis, October 31.
At 11 o'clock last night a white man and a negro quarreled at a Republican meeting. The white man struck the negro and was arrested. While he was being taken out of the crowd a pistol was fired and ar old negro named Brown fell dead. A number of negroes belonging to the club in attendance at the meeting, supposing that a policeman had fired the shot, ran him into a saloon. Great ex-citement prevailed, and a number of shots were fired into the crowd and four or five men were wounded. The crowd scattered in all directions. Some assert scattered in all directions. Some assert that a party of roughs assaulted the negroes. The meeting was broken up and the greatest excitement existed until a large force of police appeared and restored order. It is also asserted that the trouble began by a brick being thrown into a crowd of negroes, one of whom was struck. The negroes then rushed toward a saloon on the corner of Twelfth and Locust streets, from under the balcony of which a brick had been thrown. cony of which a brick had been thrown, arriving at the saloon they were met by three policemen, who prevented them from entering. Down to the Bed-Rock!!

It seems to be the desire now of the people of Pioche and vicinity to buy their goods low down, that is,

FOR CASH.

This is the true spirit, and will increase the prosperity of the people, for no goods can be sold on time by owners. unless the purchaser pays for the time given. Anticipating the wants and desires of the people in this regard, we will sell strictly for cash from now on, at prices that will surprise the most credulous. We are now opening an immense stock of

DRY-COODS. CLOTHING. BOOTS, SHOES. HATS, ETC.,

Which have been purchased for cash during the recent failures of some of the leading firms in San Francisco.

WE ARE NOT TO BE UNDERSOLD AND WILL SELL AT PRICES WITHIN THE REACH OF EVERYBODY

We will Sell You Better Goods for Less Money than any other Firm in the STATE.

Ladies, Misses and Children's Shoes at Less than HALF FORMER PRICES.
